

Meet the teacher

MS. JEN

My name is Ms. Jen, and I am absolutely thrilled to be your child's teacher this year. I can't wait to embark on this exciting journey of discovery, learning, and fun with your little ones!

In our classroom, we will celebrate curiosity and creativity, exploring new ideas through songs, stories, and hands-on activities. Every day will be an adventure, and I am committed to making each moment special and memorable for your child.

I was born and raised in beautiful Greece until I turned 17, and I carry the warmth of that culture with me every day. I have a bachelor's degree in Greek Studies and Elementary Education, and this is my second year teaching. I am passionate about creating a nurturing and engaging environment where children can explore, play, and learn at their own pace.

Here's my sweet and fun pinky promise to you:

- ★ I promise to love and care for your child as if they were my own, creating a safe and happy place for them to learn.
- ★ I promise to communicate openly with you, sharing your child's milestones and experiences throughout the year.
- ★ I promise to encourage your child's unique personality and to celebrate their achievements, big and small!
